

## I Have a Big Fat Hen!

I have a big fat hen  
A couple of ducks  
Three brown bears  
Four running hares  
Five fat foxes  
Six slimy salamanders  
Seven silly Siamese sailors sailing the seven seas  
Eight egotistical elephants  
Nine nimble nitwits nonchalantly nibbling gnats  
Ten typical typographers translating type on top  
of a tent  
Eleven elegant elves elevated to the eleventh elf  
Twelve traveling travelers trumpeting twenty-  
two triumphant trumpets triumphantly  
Thirteen thriving thieves thieving thirty-three  
thistles from a thorn bush!
